From the Principal's Desk

The 2017 [Catholic Schools Week](#) theme, "Catholic Schools—Communities of Faith, Knowledge, and Service" highlights the mission of Catholic Schools: developing the whole child. The three components of faith, academics, and service are constantly and inseparably linked together. Students and faculty put their faith into practice on a daily basis, not only in the small community of school, but also in the larger community in which they exist. Catholic Schools Week promotes an awareness of the uniqueness of Catholic Schools and recognizes the continued support of families, staff, students, and stakeholders. Each day the staff and students will have fun with different 'dress up' themes, but they will also have opportunities to learn about and reflect on various contributors to the success of our school. Below is our schedule. We invite everyone to join us for any part of the celebration.

May God Bless You,

Pam Brobst
Principal

SOAR cards

Don't forget to stop by the table in the back of church or call the school office at 646-0705 for your SOAR shopping cards! We have many in-town as well as out of town cards. Plan ahead and help our school!

Hearts and Kidneys

Story by Jessica Reeter and Izzie Montgomery

On January 18, 2017, the fifth and sixth grade class looked at pig hearts and cow hearts. The pig heart was about the size of two fists put together. The cow heart was about ten times the size of the pig heart. They learned about arteries and other parts of the heart.

Mrs. Armentrout also dissected pig kidneys to the 5th –8th grade classes. Mrs. Armentrout and Mrs. Brobst butchered their animals so that the 5th—8th could experience what a cow heart, pig heart, and pig kidneys looks like. The 5th—8th grades really enjoyed the hearts and kidneys that Mrs. Brobst and Mrs. Armentrout gave to us to look at and learn about.

Thank you Mrs. Brobst and Mrs. Armentrout.

100th Day

January 26th was the 100th day of school this year. The children all celebrated by having ice cream at the end of the day.

Kindergarten, 1st and 2nd grades each brought 100 items to school to show what 100 represents. There were 100 pieces of gum, rocks, lego's, pennies, dimes, sprees candy, crackers, cereal and paperclips.

The heaviest were 100 crayons and the lightest was 100 pieces of rice.

Lunch Menu

**Lunches \$1.75 Milk \$.30
