Science Fair Winners :

Judging for the 7th/8th grade Science Fair was completed on March 8 and winners were announced! Congratulations to these winners for their hard work:

The Overall Science Fair winner was 7th grader, Ellie Barnett!

Winners for each class were as follows:
8th grade: 1st Chandler Stedem; 2nd Eli Cross, 3rd Mason Baxter/Spencer Shira.

7th grade: 1st Ellie Barnett, 2nd Alexis Anderson, 3rd Connor Hobbs/Essie Hicks.

On the same day, the fifth/sixth grade students set up science experiments in the gym for other students to participate in. It was a very popular!

We are greatly saddened by Leslie Holland's leaving in May. Daily, she keeps the many spokes of the wheels turning smoothly by all the things that she does for everyone: teachers, parents, students, staff, and the public. She has been a blessing, especially to me. We've been lucky to have her here and don't know what we'll do without her!

It is with regret that Mrs. Armentrout (our 7th/8th gr teacher) will be retiring at the end of this year so she can take care of her parents. Her parents live in Moberly and her dad had open heart surgery this winter. Luckily, Theresa's daughter, Alaina, has been living with Theresa's parents so she could help them. Alaina will be entering the Air Force in May, so Theresa needs to step in and provide the care. We will be sad to see her leave our Bishop Hogan family. We were fortunate that she chose to teach at Bishop Hogan this year.

May God Bless You,
Pam Brobst, Principal
