From the Principal's Desk

The Dinner Auction Committee is working hard to prepare for this year's dinner and auction on Saturday, April 29 where we will be "Putting on the Glitz for Catholic Education." HyVee's Rick Williams has kindly agreed to donate the meal again, and Master Chef Jeff Frampton and HyVee's Angie Ciccarello are partnering to make sure those in attendance have a wonderfully delicious meal! Thanks to the generosity of parents, parishioners, and community, the list of auction items is still growing.

Thank you if you have already donated your Dinner Auction item. If you haven't, please help us by doing so **as soon as possible.** Each item has to be entered into the computer, placed in the appropriate room, and accounted for, which all takes time. We appreciate all the great items we have already received

Many of you will be working the night of the auction; others have helped over the past several months with the numerous jobs that needed to be done. We are grateful for **all** of the help and effort that will make this event a success. This is our biggest fundraiser, and the proceeds help our school all year long!

SOAR Card Raffle Information:

Raffle tickets for chances to win \$1000 worth of SOAR shopping cards are being sent home with the students. Visit www.shopwithscrip.com to see a complete list of the 900+ retailers offering shopping cards the winner can choose from. We would ask that each family help sell the tickets. Our goal is 5 tickets per family. As an incentive, we will set aside May 8-12 for students to earn uniform-free days according to the number of tickets they sell: 1-5 tickets sold will earn the student Uniform-Free Monday. For every set of 5 tickets after that, another uniform-free day will be earned, with a maximum of 5 days. Please turn in all tickets and money no later than Friday, April 28, 2017 so the names can be in the drawing on Saturday.

May God Bless You,
Pam Brobst,

Help Needed

The Dinner Auction committee is in need of a persons willing to make the Dinner Auction official book.

This requires :

- Putting the book together
- Correcting /proofreading all pages
- Making sure all info is correct and in the right order.
- Making copies of the book to create 225 booklets.
- Attaching the comb spine

The front cover will be done by someone else. Some of the pages will be done for you either through Word here at school or through the dinner auction program.

The book typically takes about 3 days in the making. We do this the last week of April. Copying the book takes the longest amount of time. The book typically has 13-15 pages front to back. Work may be done after hours.

If you are interested in this job or in helping for part of it. please contact the office at 646-0705.
