From the Principal's Desk

We had an awesome Grandparents Luncheon! Thank you for extending the invitation to your child's grandparents and special friends. I don't know who was more excited, grandparents or kiddos!! The 'smiles' were priceless!

We were awarded a \$500 grant from the **Missouri Knights of Columbus**, the Father Mancusso Grant. The money has been used to purchase new religion textbooks for the 7th and 8th grade classes.

We are so grateful for the funds given to us by the Diane Bonderer family from the **Mike Bonderer Memorial Fund**. Thank you to the many generous people that donated in memory of Mike. We plan to purchase a lockable cabinet that will hold our mixer board and accessories that are part of our speaker system. Additionally, we have ordered 12 Chromebook computers so each of the 7th/8th grade students will have one to use. Melissa Young and Kim Kieffer have offered to train the teachers on the many academic uses the Chromebooks will provide! Thank you, ladies!

Last spring I applied for funding through the **E-Rate Program for Schools and Libraries** to help with technology expenses. This can't be used for computers, but can be used to defray half the cost of infrastructure. Upon notification that we received what was requested, Rick Ellis has begun the process of installing switches, cabling, and 5 more wireless access points, 3 in the Primary building and 2 in the elementary building. With more teachers moving to the Primary building, the access points will make it easier and more reliable for teachers to use the internet. We are very fortunate to have the financial assistance given to us by others in order that we can enhance instruction for students!

May God bless you!

Grandparents Luncheon

Thank you to everyone who helped serve and to all the grandparents and special friends that attended our Grandparents Day luncheon. Mrs. Belinda served over 250 lunches for a spectacular event. The students had a wonderful time sharing their meal with their families and showing family and friends their school and classrooms. Thank you again for making this event a special day.

School Safety

Representatives from the Missouri State Highway Patrol have contacted our school district, as well as many other school districts across Missouri, and requested permission to have state troopers walk the halls during school hours. The highway patrol has also offered to preform programs about general safety and various state laws as time permits during regular school hours. Our school was not chosen as a result of any study, safety concern or worry related to any pre-existing safety problem. This is part of a statewide initiative by the Missouri State Highway Patrol to increase the visibility of law enforcement in Missouri schools. The benefit of this is two-fold: an added level of security for our children and the opportunity for the for the student body to interact with state troopers in a positive learning environment. Please keep this in mind as you may see highway patrol cars in the school parking lots and your children may tell you about state troopers walking the hallways of their school.

In closing, the purpose of this note is merely to inform parents and guardians of our student body about the initiative of the Missouri State Highway Patrol to have a more visible presence in schools across Missouri. Our school has welcomed the presence of our local state troopers, who are part of our community, and view this as an opportunity to enhance the safety of our existing school safety plan.

If you have any questions or concerns, please feel free to call or visit me at my office.

Mrs. Pamela Brobst
Principal

SOAR Shopping Cards

Using the SOAR shopping cards is a great way to help the school and help on your child's tuition! We have given over \$13,000 in tuition credits!! We keep local cards on hand and some of the more requested cards. Visit www.shopwithscrip.com to check

Eagle Tips & Happenings

- The following is the portal website that we can go through to shop to earn money for the school. www.shop.com/bishophogan. Bishop Hogan gets money every time you purchase items through this portal with stores such as Wal Mart, Target and many others.
- Remember to send in your ink toner cartridges, Campbell Soup labels, Box Tops for Education, Coke Reward Points, and aluminum cans.
- Be sure to check out photos from school events on the Bishop Hogan website: www.bishophogan.org
