## **From the Principal's Desk**

Thank you to everyone who helped with the Fall Festival! Our students talked about how much fun they had throughout the day on Sunday! The Lord blessed us with beautiful weather and it was a great day of fun and fellowship! Congratulations to Diane Bonderer and the late Mike Bonderer for being awarded the **Unsung Hero Award** at the Fall Festival! What a well-deserved honor! Over the years, they have supported and contributed many volunteer hours for the benefit of both the school and parish community.

Eagle's Wings, our after school choir led by Mrs. Garr, began on September 12. We have 27 students participating this year, from 3<sup>rd</sup> through 8<sup>th</sup> grade. Their first performance will be at the Veteran's Day program on November 10.

We have sent out letters to the booth vendors that participated last year in the Holiday Bazaar at Bishop Hogan School. If you or someone you know would like to have a booth space in the gym, please contact the office as soon as possible. Booth space is \$40.

## **Homecoming Parade**

On Friday, September 30, Chillicothe High School will host their Homecoming parade. We will be walking as a group to City Hall to watch the parade. Your child will need to wear their school uniform for church, but afterwards can change into a Hornet shirt, or a red or black tshirt if he/she wants to. We will walk around 2:10 and come back to the school afterwards. If a parent attends the parade, the student may go with them following the parade.

## **Alligators in the School**

Monday, the students of Bishop Hogan had the opportunity to see the "Alligator Guy" and his surprising-friends. He talked to the students regarding reptiles and their habitats. He also talked about overcoming fear and how that helps you in life. The students were able to hold and pet live alligators and a snake. We learned the Boa has 414 bones! Students and teachers were definitely fascinated and had lots of good questions for the presenter. The Alligator Guy is Ken Henderson from Global Environmentalist. He and his animals have been on the TV show, "Animal Planet" and they have traveled to many countries. The well-trained, 6 foot alligator rarely moved during the assembly, nor did the smaller one. Both reptiles have always lived with humans. Pictures from this event are posted on the school Facebook page.

## OUR LADY OF SORROWS

Earlier in September Fr. Kneib spoke to the students about the Blessed Virgin Mary under her title of Our Lady of Sorrows. This title recognizes the great sufferings that Mary endured as the mother of Christ during her lifetime, especially at His passion and death. Father brought along a large picture depicting Mary as Our Lady of Sorrows to show the students. The month of September is dedicated to Our Lady of Sorrows.

### School Pick Up and Drop Off

The traffic flow seems to be moving well. Thank you to everyone for your patience in helping us get the pattern established. Here are a few reminders:

\*At drop off, please pull up to the first available cone—even if no one is in line behind you.

\*At pick up, please enter the parking lot in 2 lines, merge to 1 line at the curve, then pull forward to stop by the cones to load 3 cars at a time.

Parents parking to walk up to school for your child/children:

\*Park on the E side of Trenton (in front of the church) or park in the parking spots on the N side of the church. Please try to avoid parking in the school lot or W side of Trenton.

Because we have so many preschool parents parking and walking students into the building, please let your child off in the parking lot if it is after 7:50 am and as you leave, you can watch your child enter the front doors.
