## From the Principal's Desk

I got to witness Mrs. Armentrout's 7th and 8th grade class conducting a debate about San Francisco 49ers quarterback, Colin Kaepernick, taking a knee during the National Anthem. Students were randomly selected to be on each side of the issue. It was a culminating activity where the students had to apply their knowledge of the amendments to real world issues. They had researched the applicable amendments and the meaning behind them, as well as learned about the process of a debate. They reviewed other similar incidents. Students presented their arguments and came back with rebuttals to opposing comments. Both sides did an awesome job! I believe we have some lawyers in the making!

In observance of Fire Safety Week, we invited the Fire Department to talk to our prek-2nd grade students. The firemen questioned the students, told them ways to stay safe during a fire, and demonstrated their fire equipment. The students enjoyed getting to climb up in the fire truck!

I want to thank Jill Pfaff; Julie Resor; Jackson, Julia, and Jamie Reeter; Mary and Allison Higgins; and Colin Woodworth for working with me last Saturday to clean out the brown trailer and organize our storage shed. We have Saturday, October 15 set for moving some items from the basement of the Primary building to the shed.

At the end of the day on Thursday, all of the students were involved in saying the school Rosary in the Mary Garden. The students were divided into 5 groups, with each group leading a decade of the rosary.

We began our Middle School basketball season on Monday, October 10 against Southwest. We won the girls' game, but not the boys'. Tuesday night, the girls played Osborn and won. We appreciate Ted and Teresa Hicks; and Jason Montgomery for coaching.

May God Bless You!

## Pet Blessing

Bishop Hogan celebrated the Feast of St. Francis of Assisi on October 7 with the annual pet blessing. The Feast commemorates the life of St. Francis who was born in the 12th century and is the patron saint of animals. Thank you to all the family members that brought the beloved pets to school.

## 7th & 8th Grade Washington D.C. Trip

**Walk for Life:** Our seventh and eighth grade students are raising money for the Washington DC trip in January: the Walk for Life. They have Washington Street Food and Drink \$10 certificates, will sponsor a breakfast buffet at Washington Street Food and Drink on **Saturday, December 3**, and will be selling SOAR cards. If you can help them out with any of these endeavors, we really appreciate it! If you would like to sponsor a student or assist in their expenses, please let me know. We are fortunate that our students get to be a part of this walk and stand up for the value of life! Students attending will be: Ellie Barnett, Essie Hicks, Alexis Anderson, Connor Hobbs, Spencer Shira, and Chandler Stedem, Eli & Olivia Cross.

### Picture Requests for Veteran Day Program

We have several pictures of family members who were veterans for our power point, but we don't want to miss anyone. If you want someone included, please send their picture to school and mark it with the name of the veteran and your name so we can get them back to you. Also put the branch of service they were in. We are happy to include any family member that has served in the military. Our Veterans Program will be held Thursday, November the 10th at 10:30 a.m. We would like to invite everyone, especially veterans and their families to come enjoy the program the students have been working so hard on. After the program we would like to extend an invitation for lunch to all who join us for the program. The cost of the lunch for the veteran's will be taken care of by PTO. The cost is \$2.50 for anyone else that would like to join us. We need everyone to RSVP by Friday, November 4th, to the school office at 646-0705, so we know how much food to prepare.
