## **From the Principal's Desk**

I want to thank the kind people who helped us on our Saturday afternoon workday: Jill, Mackenzie, Ellie and Brent Barnett; Sami, Bentley and Tinley Lauhoff; Jake Miller; Dave May; Kristi Lauhoff; Angie, Ethan, and Cole Huwar; Molly, Gracelyn, and Glenna Barnett; and Kim and Abby Marshall. We got shelves put together and many things moved! Kristie Lauhoff has worked hard all week organizing what's remaining in the red building. We are so grateful for everyone's help!!

This week was busy with Parent-Teacher Conferences. We had a high percentage of attendance for conferences because we have wonderful parents who are truly invested in their child's/children's education! Thank you to the teachers and parents for partnering for the benefit of their kiddos! Many students qualified for the Honor Roll for first quarter!

Thank you to those who were able to support us for McTeacher Night on Wednesday, October 12 at McDonalds! Mrs. Blattner's class had the best attendance, so earned a 'Happy Meal' party! The school earned \$438.26!!

Our first home basketball game for Middle School was Tuesday night against Laredo. The girls won with a score of 25-17. The boys also won with a score of 38-26. The girls now have a record of 4-0 and the boys 2-1. Next week we play Monday, Tuesday, and Thursday night in the Laredo Tournament.

There are still some booth spaces for the Holiday Bazaar, if anyone is interested in acquiring a space for their items. Contact the office at 646-0705!

May God Bless You!  
Pam Brobst

## **Kinetic Energy**

Mrs. Donna Haffecke's 4th grade students are enjoying one of the science kits that we purchased through Project Lead the Way. Students are discovering how height and distance affects kinetic energy. Through experimentation, they are building their knowledge of scientific concepts. Next week they will construct small cars to conduct further experimentation, adding size and weight to the formula!

Tyra Cranmer, getting ready to let her car travel down the ramp and along the ruler, so she can see if her prediction was correct!

## **7th & 8th Grade Washington D.C. Trip**

**Walk for Life:** Our seventh and eighth grade students are raising money for the Washington DC trip in January: the Walk for Life. They have Washington Street Food and Drink \$10 certificates, will sponsor a breakfast buffet at Washington Street Food and Drink on **Saturday, December 3**, and will be selling SOAR cards. If you can help them out with any of these endeavors, we really appreciate it! If you would like to sponsor a student or assist in their expenses, please let me know. We are fortunate that our students get to be a part of this walk and stand up for the value of life! Students attending will be: Ellie Barnett, Essie Hicks, Alexis Anderson, Connor Hobbs, Spencer Shira, and Chandler Stedem, Eli & Olivia Cross.

### Picture Requests for Veteran Day Program

We have several pictures of family members who were veterans for our power point, but we don't want to miss anyone. If you want someone included, please send their picture to school and mark it with the name of the veteran and your name so we can get them back to you. Also put the branch of service they were in. We are happy to include any family member that has served in the military. Our Veterans Program will be held Thursday, November the 10th at 10:30 a.m. We would like to invite everyone, especially veterans and their families to come enjoy the program the students have been working so hard on. After the program we would like to extend an invitation for lunch to all who join us for the program. The cost of the lunch for the veteran's will be taken care of by PTO,. The cost is \$2.50 for anyone else that would like to join us. We need everyone to RSVP by Friday, November 4th, to the school office at 646-0705, so we know how much food to prepare.

We will be sending in Box Tops to the company on October 31. Please have your Box Tops turned into the school by October 25.

Thank you for saving Box Tops to help earn money for Bishop Hogan.
