From the Principal's Desk

Have you noticed that there is no longer a stream of water in the street in front of the school? We want to thank Jarrod Marshall and Michael Cook for finding the leak in the parking lot and fixing it! They saved us a lot of money and now everyone will be safer when crossing the street this winter.

We want to thank Shane Baxter for hauling woodchips for our playground and Eric Witt for spending time spreading the woodchips out. We still have a few woodchips to spread, but the playground looks great. We appreciate the donation of chips from Hibner's Sawmill.

Father Kneib, in his white cope (cape) and miter (hat) and carrying a shepherd's crook, visited the classrooms on the **Feast Day of Saint Nicholas**. He told the story of St. Nicholas's generosity and gave each student a gold coin (chocolate covered in gold foil) so they would remember how the tradition of filling stockings and shoes began. Each student put a paper shoe in the hallway Monday and found it filled with candy on Tuesday morning!

Thank you to all our students who brought new and gently used toys for the **Joy Toy Drive**. We filled the back of a pickup with toys and they had to come back for a second trip! Our students were so excited to be able to help others!

Thank you, Diane McKiddy and Ann McDonald for helping people sign in at our Blood Drive on Wednesday. Also, thank you to everyone who donated blood!

I hope you can make it to our Christmas Program on Tuesday, December 13 at 6:30 pm. Preschoolers through eighth graders will perform, either in the band, on stage singing, or in the play titled, "**Sheep in Heavenly Peace!**" Mrs. Garr always does a nice job of getting students to share their talents!

May God bless you and your families this Christmas season.

The toy drive was a huge success!

Thank you to everyone who participated.

ST. NICHOLAS VISIT

Bishop Hogan students celebrated the Feast Day of St. Nicholas by making paper shoes and setting them out in the hall. They were visited by the Saint on Tuesday December 6.

DROP OFF ROUTINE

Please Help! We are needing to eliminate congestion in front of the school during drop-off, after 7:50 am. Even though the teachers will leave the gym at 7:50, we are leaving the gym doors slightly propped open each morning until 8:05am. (You will see the orange bar down at the bottom of the door). Even if you arrive after 7:50, PLEASE pull into the parking lot and have your child enter through the gym doors. If you would then exit down Tenth Street, it will make preschool drop off a lot safer and less congested. Thank You
