From the Principal's Desk

Christmas Program: We are proud of our students and the way that they performed at the Christmas Program! Thank you, parents, for not only attending the program, but for making it a special event for your child! They were very excited to perform for you and family members!

Stage: We are grateful for the help of Kevin Shira, Dorney Hecker, and Dave May for securing the backdrop to the stage for the Christmas Program. It made it safer so we didn't have to worry about the backdrop falling on someone. Thank you!

March for Life Breakfast: We want to thank the many generous people for attending our breakfast at Washington Street Food and Drink! A lot of money was raised for our 7th/8th grade pilgrims! It helped out tremendously! It was also nice of Tony and the Washington Street Food and Drink to sponsor our breakfast and do all of the food preparation.

Blood Drive: We reached our goal of 25 pints of blood during our Blood Drive! We wish to thank Diane McKiddy and Ann McDonald for helping to sign-in blood donors! Also, thank you to anyone who joined us in donating blood!

Chromebooks: Our 5-8th grade students are learning many things on their Chromebooks that we purchased this year through Mike Bonderer's Memorial fund. The students are using them to do research and complete assignments, which they then share with Mrs. Armentrout electronically. It's great to see how adept the students are becoming! It's definitely a skill students will need! We have 1:1, chromebooks to students, in the 7th/8th grade, however the 5th/6th grade class of 21 have to share. It is a goal of the future to be able to purchase more chromebooks at the upper level and more l pads for the younger ones.

May your Christmas be blessed with Peace and Joy.

HELP WANTED

We are making a list of parents that would sometimes be available after the 10:00am Mass on Sundays to sell SOAR cards. Please contact Kim Kieffer at 247-1474. This is a great program so we need help selling cards.

SOAR Shopping Cards

Using the SOAR shopping cards is a great way to help the school and help on your child's tuition! We have given over \$13,000 in tuition credits!! We keep local cards on hand and some of the more requested cards.

Visit www.shopwithscrip.com to check out participating businesses!

SIGN UP ON LINE AND YOU CAN DO YOUR OWN ORDERING.

DROP OFF ROUTINE

Please Help! We are needing to eliminate congestion in front of the school during drop-off, after 7:50 am. Even though the teachers will leave the gym at 7:50, we are leaving the gym doors slightly propped open each morning until 8:05am. (You will see the orange bar down at the bottom of the door). Even if you arrive after 7:50, PLEASE pull into the parking lot and have your child enter through the gym doors. If you would then exit down Tenth Street, it will make preschool drop off a lot safer and less congested. Thank You

Foreign Language

At lunch everyday your child has been learning new languages. So far this year the children have learned how to say "You are Welcome" and have heard "Thank You" in the following languages:

Japanese: Thank you-
