Bishop Hogan Memorial School

A Golden Opportunity

From the Principal's desk...

Jan. & Feb.

The North Missouri Sportsman's Alliance (NMSA) recently donated books about the outdoors to our Bishop Hogan library. The goal of the organization is to promote an appreciation of outdoor activities. Mr. Todd Rodenberg, representing the Sportsman's group, presented the books to the 4th and 5th grade students. The "**Local Legends**" is a four-book series of exciting sports stories by Lane Walker. These books strive to teach life lessons. The "**Campground Kids**" is a five-book adventure series that takes place in America's national parks. Values such as honesty and forgiveness are shown.

Mr. Rodenberg also told the students about an essay contest with the topic "My Most Favorite Outdoor Experience". Fourth and fifth graders will be working on these essays soon. The top 3 winners will be awarded an outdoor-related gift!

We are gearing up for next week's Catholic Schools Week, when we will celebrate the important role that Catholic Schools play in shaping our next generation, both spiritually and academically. Our theme this year is **Catholic Schools: United in Faith and Community! Strengthening our faith in God, learning to reach the highest academic standards, and serving others is what we strive for at Bishop Hogan Memorial School!**

May God Bless You!
Pam Brobst
