Friday, Feb. 14, school was not in session, but teachers had an in-service. Jodie Maddox, a consultant and former principal/educator from Kansas City presented to the teachers. She gave us a lot of useful information to help students.!

On Tuesday, nurses from Hedrick Medical Center conducted a free health physical for our students 3rd-8th grade, who plan to participate in sports or cheerleading next school year. We really appreciated them coming to BH! It was a convenient way for students to meet the MHSAA guidelines for sports participation!

We kicked off our 4th and 5th grade basketball season with our first game on Thursday evening against a boys' and girls' team from Carrollton. The players did a good job of playing hard and being good sports. And the cheerleaders were so enthusiastic! We had a good crowd to cheer on the Eagles!!

We are grateful to Adam Warren for coaching the girls, Kevin Goad and Kyle Marcolla for coaching the boys, and Sonja Daley for coaching the cheerleaders! We couldn't have our teams without volunteers such as these! Thank you!

May God bless you!
